

# YGN

Networking platform for  
clinicians and scientists  
in Human Genetics  
under 35 years of age  
or currently in training

529 members  
57 countries worldwide  
14 referees  
74.6% females

## Our objectives

- Sharing training opportunities
- Asking relevant questions to the community
- Recruiting volunteers to various projects and activities
- Supporting our peer colleagues
- Calling for collaborative projects
- Allocating useful web links

## Contact us

## YOUNG GENETICISTS NETWORK

Connecting the next  
generation

## ESHG-y

Official group for  
ESHG member  
under 35 years of age or  
currently in training

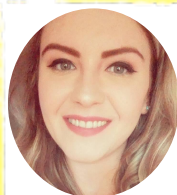

Born in June 2019  
at the ESHG Conference  
in Göteborg

### Perspectives

- involvement into the ESHG board and the educational committee
- sharing session
- disseminating ESHG activities
- connecting with the ASHG

## ESHG-y Board

**2019-2020**

Patricia Calapod, 29yo - Romania

I recently finished my training as a medical geneticist at St.Mary Children's Hospital- Medical Genetics Centre in Iasi.

✉ [calapodstefanapatricia@gmail.com](mailto:calapodstefanapatricia@gmail.com)

Celia Soares, 32yo - Portugal

I work as a resident in Medical Genetics at Oporto Medical Center. I performed a dual MD-PhD at Minho University/ Columbia University and a postgraduation in clinical research at Harvard Medical School - Portugal.

✉ [cmas00@gmail.com](mailto:cmas00@gmail.com)

Ruta Marcinkute, 29yo - United Kingdom

I was originally trained in Vilnius (Lithuania). I am currently working in Guy's hospital in London as a clinical genetics fellow.

✉ [ruta.marcinkute@gmail.com](mailto:ruta.marcinkute@gmail.com)

Florence Riccardi, 31yo - France

I work as a consultant in Medical Genetics at Marseille Public University Hospital. I am starting a PhD in Neurogenetics at Aix-Marseille University.
